

HAMILTON ROBINSON CAPITAL PARTNERS DOES ITS PART TO KEEP THE US ECONOMY ROLLING

The **US** has a lot to celebrate as we all head into the Fourth of July holiday. The May 2019 unemployment rate held steady at 3.6%, the **lowest rate in 50 years!** Independence Day began as an official UNPAID holiday in 1870 and it wasn't until 1941 that Congress changed Independence Day to a PAID federal holiday. The latest figures prove...a little vacationing isn't slowing any of us down! The real question on everyone's mind is **whether the US economy is strong enough to keep this rolling?**

Hamilton Robinson's newest portfolio company, American Roller started producing their plasma coated rollers in 1969, and the company has grown since then to become **one of the premium brands and go-to solution providers in the web processing industry**. The company is committed to remaining at the forefront of the web processing industry with state-of-the-art engineering solutions and products. We are **interested in add-on acquisitions in the roller coatings and roller coverings sectors** serving various end markets including pharma, food, tissue/towel, battery, wood and general converting. Acquisition targets should have the following attributes:

SIC Codes: 3069/3261/2821/3479/3471
Revenue Size: \$3mm - \$30mm
Roller Coatings: Metal thermal spray
Teflon coatings
Silicone coatings
Roller Coverings: Rubber
Urethane
Located in the U.S. or Canada

We are looking for **management teams seeking to broaden their research and development and partner with us to develop new production technologies and products**. If you have any clients in this space, we would welcome the **opportunity to partner with you to continue to grow small companies** across America and keep our economy rolling!
